PURE LIQUID SKIN STUDIO MAKES BEST OF BEAUTY LIST
Las Vegas Life Magazine Lists The Studio In Two Categories

9/30/06 – Las Vegas Life Magazine just released their Best of Beauty issue naming the top 64 hairstylists, facialists, manicurists and more in the city. Pure Liquid's own **Maria Monteiro** garnered placement in the **Hair Removal and Waxing** category and both Maria and **Jenea Laxton** were listed among the city's top **Facialists**.

The accompanying description had this to say about Maria and Jenea: "These business partners opened their skin salon eight months ago and have since become the 'go to' team for dealing with the unique skin problems associated with desert living. They credit the secret of their success to individualized care and the passion they share for pampering their clients". (Las Vegas Life, September 2006)

The honor came from the survey results of 500 of Las Vegas' beautiful women – from on air personalities to respected professionals. "Our clients are our greatest asset," said Maria. "This is such an honor and we are so grateful to the clients who took the time to respond to the survey and include us." Added Jenea, "We opened Pure Liquid to cater to our clients in the way we feel best, this is a confirmation that we are on the right track."

Pure Liquid Skin Studio opened in early 2006 and focuses on skin care and education for men, women and teens. The Studio carries a diverse line of skin care treats including the full **Phytomer** and **Vie** lines, **Body Systems**, **Tend Skin**, **Lalicious**, **Bline** and others. Services offered include facials, massage, body treatments and hair removal.
